

Meki Batu Union

Meki Batu Fruits and Vegetables Growers' Cooperative Union Ltd — Company Profile

About the Union

Meki Batu Union was founded on May 11, 2002, in Meki town, East Shewa Zone, Oromia, Ethiopia, starting with 12 primary cooperatives and 527 members (461 male, 66 female) across Dugda woreda and Adami Tulu Jido Kombolcha, near Dembal (Ziway) lake, with an initial capital of 500,000 ETB.

Over more than two decades, the union has grown to **153 primary cooperatives** representing **8,410 member farmers**, now operating across six districts, with own capital of approximately 81.8 million ETB and 600 hectares of irrigated land owned by members. The union sells over 50,000 tonnes of fruit and vegetables each year through five retail outlets in Addis Ababa and export channels reaching Europe, and is GlobalG.A.P certified.

153	8,410	50,000+
Primary cooperatives	Member farmers	Tonnes sold per year

Operating districts	Irrigated land	Founded

Vision

To see betterment in members' living condition and a union with a good competing capacity in the free market economy.

Mission

To contribute to improvement in production, productivity and marketability of members' products.

Products

Vegetables: tomato, onion, pepper, potato, cabbage, green beans • Fruits: papaya, watermelon, bitter gourd • Certified seeds: bean, onion, maize (cereal, pulse, vegetable, and fruit crop seed conditioning)

Certification

GlobalG.A.P certified, meeting international standards for food safety, traceability, and sustainable farming practice.

Also licensed as a certified seed producer by the Oromia Bureau of Agriculture & Natural Resource (Reg. No. 72), under Ethiopia's Seed Proclamation No. 782/2013.

Export & Domestic Markets

Export markets: Europe. Domestic retail: five outlets across Addis Ababa, in addition to direct cooperative and bulk sales.

Pack house process: grading, processing, cleaning, and packing before distribution to domestic and export channels.

Operating Districts

Founded across Dugda woreda and Adami Tulu Jido Kombolcha; now extended to Bora, Zuway Dugda, Adama, and Dodota Sire — six districts in total, East Shewa Zone, Oromia Region, Ethiopia.

Objectives

- Consolidate and sell members' produce to local and foreign markets
- Supply appropriate agricultural inputs to producers at fair prices, on time, and in required amounts
- Facilitate better access to credit services
- Collect and distribute market information to producers
- Provide mechanization and maintenance services
- Provide training and education
- Provide technical and advisory support for producers
